Tennis Holidays *for everyone*

4* Daphnila Bay, Corfu

1 week all inclusive adult tennis holiday

The Daphnila Bay Resort literally tumbles down the green landscaped hillside overlooking Dassia Bay.

From the main building high up the slope to the garden bungalows hidden amongst the mature gardens, the fresh scent of pine fills the air. It's easy to relax in such a setting - and it's made even easier with the Elixir Thalasso Spa and the attentive service.

For those who like more active holidays, this all-inclusive hotel has one of the best selections of sports and entertainment programmes. Of course there's also plenty to see outside the hotel - the French, Venetian and British occupations have left their mark on the architecture in Corfu Town whilst many of the inland villages continue in true Ionian style.

Thanks to its outstanding sports facilities, excellent food, and luxurious thalassotherapy spa, the Daphnila Bay has become a popular resort offering tasteful, spacious accommodation in the main building or the elegant bungalows nestled in lavish vegetation. The all-inclusive programme ensures a care-free holiday. Indulge in everything your heart desires: sumptuous meals, poolside cocktails, and sinfully delicious snacks.

Our weekly programme

The tennis programme consists of 20 hours of tennis incorporating morning coaching sessions, and afternoon matchplay sessions and an end of week social champagne tournament.

The programme has been devised with the main emphasis on improving your doubles; our aim is for you to go home a better doubles player with an improved understanding of your positioning, movement and tactical play. As well as improving your doubles play we will also be giving you personal technical tips which you can work on to further help improve your game.

For those that want to play singles we arrange box leagues that can be played outside of the program times.

Our programme is as flexible as it needs to be and we can tailor your holiday to your exact needs. You can play as much or as little tennis as you want. You can rest assured that all abilities will be catered for, from absolute beginners to County and National standard players. Private lessons with one of our professional coaches can be arranged in resort for an additional cost.
