The chefs have created a mouthwatering choice of freshly prepared dishes using the best local produce. Take your pick from three restaurants for breakfast, where you'll find everything from fresh fruit smoothies to local Greek breakfast fare. When it's time to relax with a cool drink – whether a cocktail or a beer – you'll always find a chilled-out ambience at Sani Beach Hotel. 24-hour room service is also available.

The Dine Around Programme

There's no better way to sample the culinary delights at Sani than through our Dine-Around programme where half-board and full-board guests can choose from many of our restaurants. It makes dining a lot of fun and with the restaurants offering a selection of special set menus. You'll find the choice superb and the value unbelievable.

The Dine-Around programme allows full-board guests to enjoy their meals at many restaurants throughout Sani Resort. They may use their meal allowance in 22 restaurants, where they can either select one of the several tailored menus – without extra charges – or order a-la-carte. If guests choose to order a-la-carte, the meal allowance amount of 20€ p.p. (children 10€) will be deducted from their total bill.

Tennis facilities...

In total there are 6 excellently-prepared Canada-Tenn clay courts and a homely terrace. Canada-Tenn courts consist of green clay and offer identical playing and sliding characteristics and foundations to red clay courts. 6 courts (3 with floodlights) are located at the Sani Beach Hotel and are also open to guests from the Porto Sani Village and Sani Asterias Suites (100-300 m away).

Our weekly programme

The tennis programme consists of 20 hours of tennis incorporating morning coaching sessions, and afternoon matchplay sessions and an end of week social champagne tournament.

The programme has been devised with the main emphasis on improving your doubles; our aim is for you to go home a better doubles player with an improved understanding of your positioning, movement and tactical play. As well as improving your doubles play we will also be giving you personal technical tips which you can work on to further help improve your game.

For those that want to play singles we arrange box leagues that can be played outside of the program times.

Our programme is as flexible as it needs to be and we can tailor your holiday to your exact needs. You can play as much or as little tennis as you want. You can rest assured that all abilities will be catered for, from absolute beginners to County and National standard players. Private lessons with one of our professional coaches can be arranged in resort for an additional cost.
